Effective September 1, 2025

## **About the Model Policy**

This Model Policy is a guideline designed to support in-scope entities in the development of their own athlete eligibility policies as required under the *Fairness and Safety in Sport Act* (the Act) and Fairness and Safety in Sport Regulation (the Regulation). This Model Policy is issued pursuant to section 5 of the Act. Annotations are provided throughout the policy to provide further assistance to in-scope entities in addition to what is set out in the Act and the Regulation. The Model Policy is intended as an example only. In-scope entities may meet the requirements of the Act and Regulation in other ways, including through amendments to one or more existing policies or procedures.

This Model Policy does not constitute legal advice, and the Act and the Regulation should be consulted for all purposes of interpreting and applying the law. In the event of any discrepancy between the Model Policy and the legislation, the legislation is considered correct. This Model Policy may be changed or modified as required.

Please consult the [Government website](#) for the latest Model Policy and guidelines.
